

Year 5 Term 1 Curriculum Overview

General Organisation (<i>setting goals, using diaries</i>) Group work skills Leadership skills (Leading into Silver Certificate)											
English				Mathematics							
Persuasive texts Structure Paragraphing Language features/devices Rhetorical questions Groups of 3 Emotive language Facts/statistics Visual literacy Symbolism Narrative Structure Setting the scene Plot Resolution		Language features/devices Figurative language Characterisation Dialogue Grammar Complex/ compound sentences Punctuation of sentences Parts of speech Reading strategies Main idea Sequencing Making connections Inferring Predicting		Spelling Phonemic approach sound waves units 1-10 Plurals adding -s and -es Doubling final consonant Prefixes Suffixes Root words- e.g. Bio, mono Contractions Stressed and unstressed syllables		Number and algebra Factors and multiples Factor trees Round to 100 and 1000 Estimation strategies Place value beyond millions Multiplication 4-digit x 1-digit Multiplication 3-digit x 2-digit Division 3-digit ÷ 1-digit Division with zeros Division with remainders Equivalent fractions Add and regroup fractions Add and subtract fractions Decimal addition to tenths Decimal subtraction to tenths		Measurement and geometry Choosing units of measurement Capacity, volume and mass Perimeter of rectangles Area of rectangles Dot plots Column graphs Problem solving strategies Make a table or chart Draw a picture or diagram Act out the problem Find a pattern or use a rule Check relevant/irrelevant information Organised list Solve a simpler problem Mental computation strategies Factors/multiples			
Health and Physical Education		HASS Humanities and Social Sciences		Science		Italian		Technologies		The Arts	
Health	Physical							Design	Digital	Music	Visual Art
Setting the Scene Activities Bounceback PERMA Protective Behaviours	Cooperation games Skills for evaluating personal performance Tennis Modcrosse	History Reasons for the establishment of British colonies in Australia after 1800, focus on the Swan River Colony and its impact on Noongar groups Inquiry skills Questioning and researching Analysing		Chemical Science Matter Liquids, Solids and Gases Inquiry Skills Questioning Predicting Planning Conducting		Express information about where you live, places in the area, your house, a dream house or futuristic house Compare Italian and Australian housing Explore famous landmarks in Italy		Not taught until Semester 2	Coding, robotics, Electronics, citizen science, 3D visualisation software and printing, cyber safety, BEBRAS Competition, Joy of Wood, NAO Robot	Elements of music (rhythm, tempo, pitch, dynamics, form, timbre and texture) Composition & recording of musical ideas (Improvisation and organisation of the musical elements to create a simple composition) Performance skills & audience behaviour Responses to music	Not taught until Semester 2

Year 5 Term 2 Curriculum Overview

General Organisation (<i>setting goals, using diaries</i>) Group work skills Leadership skills- Silver Certificate									
English					Mathematics				
Narrative texts Structure Setting the scene Plot Resolution Self- editing for cohesion Language features/devices Figurative language Characterisation Dialogue Information texts Structure Paragraphing Language features/devices Verbs and adverbs		Visual literacy Multi modal narrative text on Book Creator Grammar Using apostrophes Punctuation of sentences Direct and indirect speech Personal pronouns Proper and common nouns Antonyms and synonyms Homophones and homographs Reading strategies Inferring Predicting Compare and contrast Cause and effect Analysing literal and implied information		Speaking and Listening Oral presentation- multimodal text Interaction skills Spelling Phonemic approach sound waves units 11-20 Unstressed syllables Root words		Number and Algebra Backtracking Patterns and general rules Place value to thousandths Percentages Expanded notation Measurement and Geometry Graduated scales Flip, slide, turn Nets of 3D objects 24-hour time Read and interpret timetables Australian time zones Map references Using scale Compass points Directions, turns and degrees Measure angles 0°-180° Coordinates to locate position Latitude and longitude		Statistics and Probability Probability (revision) Dot plots (revision) Column graphs (revision) Problem solving strategies Guess and check Find smaller parts of a large problem Work backwards Mental computation strategies Factors and multiples Known fact generates new fact Halving strategy (Division) Doubling and halving (Multiplication) Recall Multiplication and Division facts	
Health and Physical Education		HASS Humanities and Social Sciences		Science	Italian	Technologies		The Arts	
Health	Physical					Design	Digital	Music	Visual Art
BounceBack Protective Behaviours Personal hygiene	Skill Testing Warm-up/Cool down Long distance running Football Soccer Netball	History Early exploration of Australia's interior Civics and citizenship Inquiry skills Questioning and researching Analysing		Physical Science Light Inquiry Skills Questioning Predicting Planning Conducting	Express information about places in the neighbourhood and your home (eg rooms in the house) Description of a dream house or futuristic house (model or PowerPoint or advert)	Not taught until Semester 2	Coding, robotics, Electronics, citizen science, 3D visualisation software and printing, cyber safety, NAO Robot	Elements of music (rhythm, tempo, pitch, dynamics, form, timbre and texture) Composition & recording of musical ideas (Improvisation and organisation of the musical elements to create a simple composition) Performance skills & audience behaviour Responses to music	Not taught until Semester 2

Year 5 Term 3 Curriculum Overview

General Organisation (<i>setting goals, using diaries</i>), Group work skills, Leadership skills (Leading into Silver Certificate)									
English				Mathematics					
Informational texts Structure Informative Reports Reports STRUCTURE: Paragraphs: Topic sentence and supporting details Headings & Sub-headings LANGUAGE FEATURES Technical Language Action verbs Factual adjectives VISUAL LITERACY Photographs Diagrams Maps Graphs and Tables Captions		GRAMMAR Sentence structure Using apostrophes Types of conjunctions and using them in complex sentences Punctuation of sentences Parts of speech Reading strategies Fact/Opinion Predicting Compare and contrast Cause and effect Visualising Summarising		Spelling Phonemic approach sound waves units 21-28 Homophones Homographs Prefixes Suffixes Antonyms Synonyms Contractions Verb tense		Number and Algebra Lattice method of multiplication Percentages using a calculator Financial plans and record Decimal addition to hundredths Decimal subtraction to hundredths Multiplication 3-digit x 2-digit (revision) Division 3-digit ÷ 1-digit (revision) Backtracking (revision) Equivalent fractions (revision) Measurement and Geometry Measure angles 0o-180o Enlargement properties of shapes Perimeter of rectangles (revision) Recall Multiplication and Division facts		Statistics and Probability Interpreting data Discrete data Line graphs Dot plots (revision) Column graphs (revision) Problem solving strategies Guess and check Find smaller parts of a large problem Work backwards Mental computation strategies Revision: Factors and multiples Known fact generates new fact Halving strategy (Division) Doubling and halving (Multiplication)	
Health and Physical Education		HASS Humanities and Social Sciences	Science	Italian	Technologies		The Arts		
Health	Physical				Design	Digital	Music	Visual Art	
Bounce Back PERMA Protective Behaviours	Athletics games Long Jump Long Distance Running Short distance running Throwing for distance Throwing and catching with large and small balls Hockey Football Evaluating personal performance	Geography Factors that Shape the Human and Environmental Characteristics of Places Civics and citizenship Democracy Inquiry skills Questioning and Researching Analysing	Biological Science Desert Survivors Inquiry Skills Questioning Predicting Planning Conducting	Description of dream house or futuristic house Express activities during free time and sport Express likes/dislikes of foods and drinks Adjectives and phrases to describe food and drinks	Plan, Design and Construct	Taught in Semester 1	Elements of music (rhythm, tempo, pitch, dynamics, form, timbre) Composition (use of symbols, notation, improvisation) Performance skills & audience behaviour Responses to music	Develop processes and techniques, focusing on the elements of: - Line, colour (contrast), shape, (symmetry), texture, space (simple perspective), colour Value Use visual arts terminology to identify and describe how the elements are used in artworks. Use of different materials, media and technologies. Study different artists, styles and cultures. Self-Reflection Artist Response	

Year 5 Term 4 Curriculum Overview
